Dedicated to People Flow™

Crafting Urban Experiences

KONE U MonoSpace® | KONE U MiniSpace™

Navaratna. Radiance Designed for Motion.

Gem of a Ride

Lighting that invigorates and energizes the spirit, at the same time, relaxes and soothes the mind. Styles that illuminate a reverence for past heritage while wholeheartedly embracing modern thinking.

Colours and hues that combine in resplendent harmony to create thriving ambiances. Patterns that bring sparkle to the eye. Accessories that set benchmarks in finesse. Technology that greets the new age urban life with increased speed,

comfort and eco-efficiency. With the KONE U MonoSpace® and KONE U MiniSpace™, every ride experience is not just designed, but passionately crafted.

Presented in nine exciting design themes, the KONE U MonoSpace and KONE U MiniSpace are design interpretations of the three most influential architectural trends today – Natural Wellness, Creative Life and Modern Heritage.

Natural Wellness

Focuses on simple, calm and meditative experiences that care about social, spiritual and physical well-being.

Creative Life

Driven by the digital culture and high tech inspired design that visualizes with the latest technology.

Modern Heritage

Exclusive design that creates an all senses experience. Pays homage to cultural legacy and design heritage.

N A V A R A T N A

Crafting Urban Experiences

Uniqueness leads to innovation. The KONE U MonoSpace® and KONE U MiniSpace™ designs are based on the findings of thorough and in-depth research into the design trends in architecture, design ideologies of spaces and experiences that influence urban generations. Fast paced, smart, artistic, technology savvy, modern with heritage orientation and the passion to stand out. The result is a KONE collection that offers unique design creations, designs that complement and seamlessly blend in with both contemporary and futuristic architectural styles across segments.

Rounded Corner Car

A completely new feature in elevator cars, it interconnects with modern building design through its minimalistic shape. It is a clear differentiator creating a unique look and feel inside the elevator car, softening the whole ambience.

Indirect Light Car

'An experience light' that colours the car digitally, washing walls and shaping the car with pleasant light. With very clear link to architecture and interior design, it creates a pleasant lit environment, bringing in a soothing atmosphere.

Designed Box Car

Crafted with the finest quality, the conventional box shaped car has been enriched with novel colour themes, texture and material innovations.

MoonLight

Calm, serene and a soothing experience

Award winning RL20 lighting bathes the interiors with a soft and even glow creating a peaceful ambience. Subtle variations of pastel tones, graceful merging of the full height COP with overall design and the ceiling's expansive feel all produce an effect that is simply relaxing as well as pleasant.

Modern touch through minimalistic design language

Cool and calm shades of earthy and natural hues along with soft lighting create a very gentle ambience. Cheerful touches of natural tints add interest & bring clear focus. The range includes pale and neutral shades, bringing balance and a sense of serenity.

MIBRL001

MoonLight

KDS 90 hairline finish full height signalization. Prominent white display and large square buttons enhance the user experience.

RL20 ring light gives the feel of natural soft light inside the car.

Ergonomically crafted round handrail lends modern touch

MIBRL002

Hairline finish Stainless steel and powder coated paint combination imparts a modern appearance.

MIBRL003

The RL20 light along with the full height COP and round tubular handrail create a soft feel inside the stainless steel elevator car.

OceanFlare

Reflections of an in-depth aura

Indirect lighting sheds a mystical glow that attracts with a cool and satisfying effect.

Reflections from the half split full height mirror panel give a sense of added dimension to the car, with the asymmetric design style bringing novelty to the concept, making this a modern car with pleasant ambience.

Fulfilling ambience that complements enriched space

Soothing indirect light from the ceiling enhances the calm and comforting facades of the ambience. The combination of indirect and direct lighting results in a well balanced ambience in the car. Nature inspired hues and reflections in full height mirror provide relaxing and spacious impression while eliminating the claustrophobic feel.

MIBIL004

OceanFlare

KDS 90 hairline finish full height signalization.

Indirect light from recessed ceiling tile highlights the coloured wall and provides a relaxing ambience.

Side wall mounted ergonomically crafted handrail, comes in black powder coated and SS finishes.

MIBIL005

Reflections in mirror finish SS walls add visual space and depth to the design experience.

MIBIL006

Unconventional approach of dual finish on half split rear wall brings modern outlook.

StreakShine

Glimmer that differentiates the experience

Natural white light from square spots sharpens the senses by accentuating the pleasing colours and highlighting the line that distinguishes rear wall. The minimalist design enhances the modern look of the car while mirror finish makes the space more open and appear larger than usual.

Enhanced space at the heart of design

The spot lit car with clutter-free look and inviting colours adds a sense of well-being while sporting modern outlook. Square spots stay minimalistic and with the asymmetric rear wall combination creating compelling views, overall ambience looks pleasantly energized.

MIBSL007

StreakShine

KDS 90 signalization with same finish as the wall panels, blends in seamlessly giving more space effect.

Modular designed square LED spot lights give a sparkling touch to the interiors, bringing a modern touch to the visual outlook.

MIBSL009

Metallic powder coated panel and Mirror finish SS share the rear wall in 1/3 proportion creating visual pleasure.

LavaLustre

Classic heritage burnished with modern touch

Motif patterns of artistic tradition that symbolize a spiritual connect get a modern make over in two cars, while the third is a dazzling display of abstract sophistication. Through application of earnest design principles, the overall composition is made more classy and contemporary.

Influential Design Trend
Modern Heritage & Creative Life

Antique aesthetics rendered as modern design

Select motifs of Indian tradition having inner meanings get a modern composition in the design. The contemporary treatment of motif patterns is inspired from the intrinsic art skills of yore.

MISIL007

LavaLustre

◀ Mandala Pattern

Motivated by the auspicious vault of positive energy that induces harmony and affluence, connecting the like-minded. Combining with the lustre of copper, the modern rendition invites users to an experience of infinite possibilities.

Visually ergonomic KDS 93 full height signalization easily distinguishes between call buttons & functional buttons giving a clutter free look.

MISIL008

▲ Flow Pattern

An expression of elegance, harmony & dynamism, reinterpreted by modern approach. The motif proximity, continuity and reflections within the lustre create a surreal experience.

Aesthetically pleasing shelter ceiling. Soft indirect lighting highlights the main design element – Patterns on the rear wall.

MISIL006

▲ Scarlet light Pattern

Vibrant flow of linear patterns, juxtaposed in abstract rendition. The break of patterns resembles the faceted patterns of the gem. Dynamic expressions of art embracing the technology gives a modern and abstract feel.

Modern pattern printed deco with dynamic flow of lines & patterns enhance the feel of motion.

GoldenTwilight

Immersive, exotic and entrancing occurrences

Unique shape, colour choices, lighting design and fine finish produce a dramatic effect that is at once fascinating and gratifying. While indirect light in double panel rear wall offers freshness of design, overhead tubo spots bathe the interiors with natural white light, adding to the elegance

Contemporary form pronounced by luscious curves

Connections to heritage & traditional values are pronounced by rich hues. Multitude of tint with modern lighting and shadow distinctions bring an exotic feel. Rounded corners provide a unique ambience while the classic and metal tones accentuate the soothing effect.

MISRC002

GoldenTwilight

◀ Contemporary form with free flowing curves in the corners gives a softer feel. Full height mirror finish SS panel on rear wall enlarges space and wood inspired finishes on wall brings a fresh natural feel to the ambience. Direct spot light with neutral white enriches and gives natural hue to the interior.

KDS 93 full height signalization merges gracefully with the overall design.

MISRC003

MISRC004

▲ One Side Rounded car

Light from behind the rear wall, highlighted rounded corner and coloured walls divided in asymmetric style make the design sophisticated and chic. Coloured rounded corner highlighted by light provides characteristic stance and modern outlook.

MISRC001

Double wall construction rear panel where the front projected wall acts as cove for indirect light.

Tubo lights, creating a gem like glitter effect in the light reflections, add elegance and sophistication.

Differentiating rounded corner through material highlights the special structure.

AquaSparkle

Cool flow enlivened with refreshing design

Comforting atmosphere inside the car is further enhanced by the subtle play of indirect light on the back wall. The three dimension effect further adds to the meditative quality of the user experience, creating lasting impressions that linger for long.

Expressions of art embracing technology

Reminiscing the green-field meets blue-sky effect, light is used as a key feature along with 3D wall that compliments the wall washing light effect. Design inspired by the holistic approach to create a welcoming environment with positive energy.

MISDB009

AquaSparkle

◀ Multifaceted 3D pattern resembles the basic feature of gems and enhances the shadow and light effect. The dual tone lighting used to divide the space creates a pleasant soothing ambience. The minimalist handrail design highlights the light effect.

The KDS 93 full height signalization display can be chosen in two types – B & W and Colour TFT LCD

Handrail with LED changeable dual tone lighting separates the boxy space by highlighting rear wall.

Indirect lighting with integrated spot light for a smooth ambience highlights the main design element - Patterns on the rear wall.

MISIL005

Inspired by the refractive quality of the play of light on water, blending the beauty of both the elements. The glitter effect of the triangular pixelated patterns with gradient colour scheme creates a contemporary art effect.

ForestGleam

Expansive feel with a nature connect

Bringing in wood to embellish the classy composition of mirrors and mini spots make the design look exquisite, while reflecting the essence of nature. All side mirrors along the horizontal wood finish laminate design produce an infinity effect, creating a unique experience that never tires.

Influential Design Trend
Natural Wellness

Resemblances of a bountiful nature

An elite expression through unique construction and material combination with visual continuity across the car space. The use of wood finishes in the interior space connects with nature, the ceiling reflections depicting infinite depth.

MIPHP002

ForestGleam

◀ The use of wood in the interior space is to connect the users with the nature. The all side mirror depicts infinite depth, and runs along the wood finish laminate horizontally placed in the mid section.

KDS 96 Touch Signalization

Trendy and advanced technology signalization enriches user experience with its sleek design and material combination. Comes with a choice of standard black & white theme display or the optional LCD colour display.

Handrail accentuates the overall feel with its simple, soft, delightful contrast and finish.

Unique Tubo spots bejewel the overhead space.

MIPHP001

The material combinations from satin to wood texture to mirror finish SS create a panoramic effect, further adding to the sophisticated look and feel.

CrimsonSpark

Zest that ignites the finer senses

Multi-faceted materials and textures interact with the subtle light from gem-like tubo spots, highlighting patterns against light reflections to pronounce the classic look in a modern way. Engrossing observations are created by the rear-to-side wall interactions, adding to the premium feel.

Influential Design Trend
Modern Heritage

Every ride, a real pride

The rich and exclusive ambience presents a bold, energized and delightful experience for users. Reflections of the rear wall character on side walls while in motion evoke a legendary space effect, rewarding every travel with a sense of prestige.

MIPDB004

CrimsonSpark

◀ Scenic car opens out the conventional box look. Breath taking views from the transparent rear wall and mirror SS side walls with captivating cloud pattern enrich the experience.

KDS 96 Touch Signalization

User experience taken to the next level with elegantly designed KDS 96 touch screen interface signalization.

Frame designed handrail accentuates the overall feel with its simple, soft, delightful contrast and finish.

MIPDB003

Interplay of reflections of the printed glass rear wall with uniquely designed pattern and mirror finish Rosegold SS side walls create enthralling experiences.

CelestialShimmer

Scintillating twinkles given glistening form

The evergreen Jaali pattern is given a modern design rendering, making the entire ambience glitter with a dramatic and ethereal quality. Lushness of both visual outlook and timeless heritage brought forth together to achieve an experience that is astounding.

Flawless luxury redefined by modern design

Choice material combination and indirect light highlighting of the Jaali pattern exemplifies modern sophistication with a heritage connect. The ceiling is split into three panels, with the centre panel being the source of indirect light that produces mesmerizing effects on the mood and spirit.

MIPILO05

CelestialShimmer

◀ The collaboration of coloured and white light adds to the spirited and futuristic visual ambience. Gradient Jaali pattern and dual skin construction provides a sophisticated, classic touch.

KDS 96 Touch Signalization

Touch interface adds to the innovativeness of the concept.

Jaali pattern on black SS and rose gold creates a modern exotic feel

MIPILO06

Rose gold finish provides luxurious feel which draws its roots from the traditional connect with usage of precious metals. Patterned side walls highlighted by the indirect light, blend modern sophistication and cultural heritage in right proportion to provide exclusive and magnificent outlook.
